LETTER - EXAMINATION FEE

Sir:

The fees for national phase entry of the subject application include a \$200 examination fee. This is the fee charged when neither the written opinion prepared by ISA/US nor the international preliminary examination report prepared by IPEA/US indicates that all claims satisfy the provisions of PCT Article 33(1)-(4). The international preliminary examination report has not yet been received from the IPEA/US, so it is not presently known whether or not the IPER will conclude that all the claims satisfy 33(1)-(4). Out of an abundance of caution, the \$200 fee has been paid. However, applicants reserve the right to demand a \$200 credit if the IPER proves favorable as to all claims.

Respectfully submitted,

By:

Kenneth R. Walton
